Dear Mr. Olshan:

We understand the trial in United States v. Sterling is scheduled to begin on or about January 12, 2015. The House Permanent Select Committee on Intelligence previously authorized former staff member Mike Sheehy to testify about certain matters in connection with that case.

Enclosed is a letter dated October 12, 2011, memorializing the Committee's authorization and the narrow scope of testimony Mr. Sheehy is permitted to provide. The authorization remains effective. As a significant amount of time has elapsed since the Committee authorized Mr. Sheehy's testimony, we enclose the letter to reiterate the Committee's authorization, including the limitations, conditions, and scope of that authorization. Please contact Sarah Geffroy, the Committee's Chief Counsel, with any questions you may have.

Sincerely,

Mike Rogers
Chairman
